Seamless thermal insulation glove liners, offering comfortable hand protection in cold, damp conditions

- Advanced thermal protection: ActivArmr® industrial glove liners offer thermal insulation for cold weather, protecting hands and keeping them warmer in cold, damp conditions
- Elevated comfort: Thanks to automatic knit technology and a breathable polyester liner, they confidently ensure longer, more comfortable wear
- Genuine practicality: Ideal protective gloves, ActivArmr® 78-150 seamless glove liners guard against workplace injuries, while their ambidextrous nature means they can be conveniently worn on either hand
- Certified cold resistance: They also satisfy EN 511-010 contact cold standards, for dependable personal protection in cold, damp conditions
- Food handling compliance: As they are FDA-approved food handling gloves, they are suitable glove liners for food processing industries

Industries

- Automotive
- Automotive Aftermarket
- Food Processing
- Machinery and Equipment
- Metal fabrication

Applications

- Inspection, selecting, checking parts
- Delivery of parts to production line
- Production line support & maintenance
- General Purpose Auto Aftermarket
- Body painting including surface inspection
- Storing packed meats
- Storing bottles and cans
- Storing of raw materials
- Loading and unloading rough parts or boxes
- Picking parts and accessories

Previously known as: Therm-A-Knit™ 78-150

Key Features

- Hollow-core fibers: For truly effective cold weather liners
- Automatic knit technology: Longer, more comfortable wear
- Seamless, ambidextrous design: Flexibility, dexterity and convenience

Light Duty

Knitted thermal safety gloves designed for comfort and cold protection

- Improved insulation: These thermal work gloves feature special hollow-core fibers that provide an excellent thermal insulation barrier between the skin and surrounding environment
- Added comfort: ActivArmr® 78-101 cold weather gloves' automatic knit technology enable longer and more comfortable wear
- Enhanced skin-friendliness: These light-duty industrial gloves come in a seamless design that reduces friction and avoids skin discomfort and irritation
- Genuine versatility: For increased convenience, ActivArmr® 78-101 cold weather work gloves are ambidextrous, fitting either hand
- Maximized value: Machine washable at a maximum temperature of 40 °C, they are more hygienic and economical, and they make good food-handling gloves
