

SHOWA 574

Ensure high-levels of protection with the SHOWA 574 chemical-resistant gloves. Heavy-duty natural rubber protects hands from acids, caustics, and various solvents. The extra-long forearm prevents injury and exposure to dangerous chemicals. A bisque grip surface aids precision when handling small components.

BENEFITS

- Chemical-resistant
- Water-resistant
- Forearm protection

FEATURES

- 100% natural rubber latex
- Unlined
- Bisque grip
