

SHOWA 66NF

Combine comfort, grip, and heavy-duty protection with the SHOWA 66NF general-purpose glove. A natural rubber latex palm coating makes the 66NF an affordable leather alternative, without compromising wearer protection. The 66NF features a reinforced safety cuff, soft cotton liner, and elasticated back of hand design for added safety, precision, and comfort.

BENEFITS

- Leather alternative

USER INSTRUCTIONS

Gloves provide protection from chemical and mechanical hazards shown. Do not use gloves that show signs of wear. If required, cleanse outer surface of glove with running water. Discard used gloves in compliance with local regulations. Do not wear gloves when there is a risk of entanglement by moving parts of machines.

DISCLAIMER

The descriptions, characteristics, applications and photos are given for information purposes and do not constitute a contractual commitment. The manufacturer reserves the right to make any modifications it deems necessary.
